## The Dick Fallow Endowment for Social Justice GRANTEE FINAL REPORT INSTRUCTIONS

**For grants received in December 2025: Reports are due no later than January 30, 2027**

Please submit a Grantee Final Report to The Dick Fallow Endowment for Social Justice (Endowment) either after the funded project/program is completed or no later than the due date of January 30, 2027, whichever is earlier. If your organization is invited to submit another grant proposal, the Final Report must be received before your next proposal is submitted.

***ADDITIONAL GRANTS TO YOUR ORGANIZATION CANNOT BE CONSIDERED UNTIL THE FINAL REPORT IS SUBMITTED.***

The Endowment appreciates your time in preparing this report. The Final Report is a very important part of the Endowment’s grant making process. It enables the Endowment to evaluate the impact of individual grants and focus future funding on areas where the Endowment’s resources can make a difference.

Please be concise with your responses and in one or two pages (excluding required attachments) address as many of the following topics as are appropriate to your project.

If the entire allocation has not been expended, arrangements should be made with the Endowment’s Chair (309)235-1352 for the disposition of any remaining funds.

Thank you.

### NOTES:

- Be sure the name of the organization is prominently displayed on the first page of this final report
- Include the dates as requested on the final report
