

**Environmental Forum 3.2.20**

6:30 pm  
Cobblestone Place

Attending: Shirley, Lori, Susan, PJ, Alice, Julie, Tom, Sister Cathy and Sister Kathleen

Tomorrow night is Green Drinks. Lori will talk about how to be more sustainable at home. Julie will see about GREEN DRINKS BOOST How can we raise attendance? Shared ideas for interaction. Susan will send a list to Julie.

**Tuesday March 17<sup>th</sup> is Partners of Scott County Watershed presentation—at noon-1 at Eastern and 5-6 at Fairmount**

PJ: Status of Earth Month Proclamation. Met with Judith Lee, new alderperson, who suggested creating a proclamation. Now are asking for all QC Cities to put out Proclamation. Letters are going out. Various members sending out to various cities

Julie will see about getting logo redesigned with bigger URL

April 22 5-6:30 pm Botanical Center event and speakers discussed. Visions for Future

**Julie and Alice and PJ will work PACG Table at River Bandits on April 24<sup>th</sup>.** Julie will ask if other forums want to sit at table. Lori has already reserved a table—she will double check to see if we have to bring in a table.

Also, on Paula Sands (week of April 6<sup>th</sup>) and Living Local and with Eric Sorensen. Lori and others from partner organization will be guest speakers.

PJ and Alice can sit at table on April 25<sup>th</sup>. When we send out calendars to schools, we should ask if they have environmental projects they would like to share. Lori will follow through on this.

**Shirley will send the list of our Earth Coalition activities to Rob Hogg**

Lori had a letter printed in Argus and this led to discussion of bank investments and divestiture in oil drilling businesses.

Sister Kathy H will contact Alma Gaul about new solar panel being installed at Our Lady of the Prairie.

Adjourned 7:30 pm
