

NEED HEALTH INSURANCE?

HERE ARE 4 FACTS YOU NEED TO KNOW:

1. Open enrollment for the health care marketplace begins on November 1, 2019 and ends December 15th. Beat the rush and sign up early at [HealthCare.gov](https://www.healthcare.gov).
2. Whether this is your first time getting covered or you are returning to shop and save, you must take action by December 15th.
3. Coverage could be more affordable than you think. Families and individuals with lower incomes may qualify for subsidies. Some may find premiums as low as \$50 to \$100 per month.
4. Free help is available. If you have questions about signing up or want to discuss your options with a trained professional, help is just a call or click away. Call 1-800-318-2596 or visit <http://localhelp.healthcare.gov>.
