

How Can We Help Our Local Pollinators?

Tuesday, June 7th, 5 pm

Speaker: Rebecca Baugh, Naturalist,

Wapsi River Education Center

One out of every three bites of food we eat is there because of pollinators and, pollinator populations are declining. Becky Baugh, Naturalist at the Wapsi River Environmental Education Center, will share about our local pollinators, discuss the cause and effect of the decline in their populations, and what you can do to support them.
