

Toast the Resistance

w/ Progressive Action

The day after the inauguration of Donald Trump, millions around the country, and around the world, marched to protest the racist, sexist, classist and xenophobic positions of the new president at the Women's March on January 20, 2017.

And since that monumental march, we have seen the resistance grow. Join Progressive Action for the Common Good for a membership event to commemorate and celebrate the birth of the resistance!

Join us at **Soirée** in downtown Moline (1516 5th Ave) on **Saturday, January 20th** from **5–7pm** for drinks and appetizers! Be sure to reserve your place online to guarantee your spot:
