Our Donors Made a Difference Last Year

- Continued the *Spread the Relief* campaign to help those impacted by Covid
- Created the *I Am the Future* project about Black History in the Quad Cities
- Sponsored the *Race, Adolescence, and Trauma* webinar with Professor Kristin Henning
- Organized the Earth Day Fair at the Freight House Farmers' Market
- Staffed *Save the Planet* tables at the Farmers' Market every Saturday
- Organized lobbying efforts when Rock Island County recycling drop off centers were closed
- Focused on strengthening the Affordable Care Act, enriching Medicare, and expanding Medicaid
- Produced a digital ad for the *Make Meds Affordable* campaign

I know my PACG donation will support causes that have a positive impact on my community.

We Have Continued Hope for the Future!

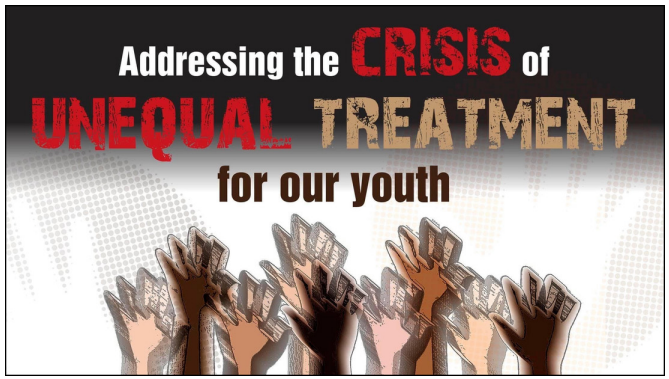
Our values of equality, inclusion, the environment, and health care for all are still under attack! Privacy issues and reproductive health are being gutted. Our democracy is compromised by voter suppression and racial injustice. What can you do about your nation in crisis? Support PACG and its ongoing fight to strengthen our democracy.

About PACG

Progressive Action for the Common Good (PACG) empowers people to take action for positive change and social justice by coordinating a network of community issue forums and events aimed at educating and energizing citizens to work for the common good of all. See our website for more information: www.pacgqc.org.

Your Donation in Action 2022-2023

- Engage youth in our issue forums
- Increase diversity in our membership
- Champion immigration and juvenile justice reform
- Demand an end to racial profiling
- Support our new Gender Equity Forum
- Advocate for the environment, including local issues as they arise
- Offer monthly Green Drinks meetings and environmental celebrations
- Sponsor Earth Day celebrations and events in coalition with other organizations
- Create educational presentations on health insurance and on lowering personal drug costs
- Advocate for health care priorities: insurance coverage, drug prices and quality of health care
- Continue our readings in PACG Book Club about issues that represent our values
- Stand up for our progressive values
- Network at our annual gatherings



Fundraising Goal: $20,000

We appreciate your financial support! Without the generosity of concerned activists like you, the change we seek would be impossible. Thank you!
